### **YOU SAID**

Students said that there were no sporting facilities on site.

### **WE DID**

We arranged an enrichment afternoon, every Wednesday where 19 activities, which include football, rugby, tennis, boxing as well as many other activities.

### **YOU SAID**

Students wanted things to do during the lunch time and break periods as bored.

### **WE DID**

We provided games and sports equipment that can be used to engage students during those times.

### **YOU SAID**

Students majority voted to remove smoking from the College.

### **WE DID**

Unfortunately because of health & safety issues this allowed smoking in two outside areas only.

### **YOU SAID**

Students asked that a football pitch be marked out on the top field.

### **WE DID**

Staff from the horticulture school marked out the field for students.

### **YOU SAID**

Students asked for a water cooler in Engineering.

### **WE DID**

This has been supplied.

### **YOU SAID**

Students needed better lockers in Engineering, ones that could be locked.

### **WE DID**

Damaged lockers were repaired and new locks were provided.

### **YOU SAID**

Students wanted the College to be more environmentally friendly, in our canteen.

### **WE DID**

The canteen has replaced plastic cutlery with composable cutlery. All canteen waste is now compostable, reducing the amount that goes to landfill.
